Parent Testimonies

"I'm Grace, my older daughter, Lo Yi Hui (5) and my younger daughter, Lo Yi En has entered the Year 3 class this year.

In the past two weeks, I really see the teacher's patience and selfless love, giving very attentive care for each child. I think the original choice is right!

From Yi En's strangeness to teachers, children, environment, to the present sense of security, every day she is happy to go to school. In Funstation, she has learnt knowledge, courtesy and discipline.

We are confident to send them to GCC!"

Parent of Lo Yi Ern

"Sylry joined Funstation since 2016. We found GCC Funstation absolutely expert in educating our little girl. They teach in creative ways to bring an outstanding growth for each child. Now she communicates better and has learnt to share."

Parent of Sylry

"My daughter, Bannnda Kaur Dulku, remains enthusiastic to attend school and the credit goes to the teachers and conducive, effective and fun learning environment that GCC Jalan Ipoh presents.

Her Y6 class teacher is Ms Looshini and under her tutelage, Bannnda has improved in English for both reading and spelling.

She attempts to spell more complex words on the whiteboard at home which shows her increase in confidence to explore. Ms. Looshini is approachable and dedicated.

Ms Gillian and teachers are always supportive and caring to the children. We would like to say keep up the good and sincere work you do daily.

Thank you."

Parent of Bannnda Kaur Dulku

"We are parents of Trixie (9 years) & Zoie (6 years) and are happy to have come across GCC Group of schools when in search of a school for Trixie back in 2011.

We noticed that GCC Group of schools focuses on the child's well being and it is also in a safe school environment.

Under the guidance and tutelage of the dedicated teachers in both GCC Desa Setapak and Si Manja Canggih we have seen our 2 girls grown and excelled in many ways.

Thanks to the Fungates system that has certainly helped our girls to overcome their shyness, being brave and able to express themselves well.

We thank you for your efforts and dedication. God bless."

Parent of Trixie & Zoie

"I am a new parent in GCC Gombak. After 2 weeks of orientation, we felt so relieved. We are lucky enough to have a school that is so supportive of each student as an individual.

Appreciation goes out to each school staff who gave their "all" throughout the orientation week. We salute the willingness of your staffs.

A very special note to Ms Arviana, my son's class teacher who is so patient with him.

I feel so happy when seeing Kavineesh happily going to school every day."
